The Lexus GS (Japanese: レクサスGS, Rekusasu GS) is an executive car sold by Lexus, the premium division of Toyota. The same car had been launched in 1991 as the Toyota Aristo in Japan, while the Lexus-badged model did not appear until 1993. Now in its fourth generation, the GS was sold only with the Toyota Aristo name in Japan until the release of the third generation model in 2005.
