1999 Arctic Cat 500 4x4 parts | Dennis Kirk

I have a 1999 Arctic Cat 400 4x4 ATV. I had it running good and on idle then the engine died. I turned on the ignition switch off then on, and to start but there was nothing. In fact the light that shows neutral, 1st etc would not light...neither would the headlight. I checked the battery (6 mos old) with a vom and it was discharged.
