Manual Transmission Parts for Toyota Celica for sale | eBay

I bought a manual transmission 2000 Celica GT-S with 158k original miles. Awesome car. It had a rough idle when I bought it, but a thorough in-house cleaning of the throttle body and the IACV smoothed the idle to a hum. I'm at 163k right now and the car still pulls like a racehorse. The handling is phenomenal, and the acceleration is admirable.
