In most states, property managers are required to hold a real estate broker's license, or to be a licensed realtor employed by a broker. Apart from this, there are no formal property management licensure requirements; however, a variety of organizations offer membership, education, and, in some cases certification.

Property Management Certifications and Qualifications

At least one year of your work experience must be in a related field like property management, facility management, maintenance, business administration, real estate, architecture, project management or construction management. Also Recommended. You should have analytical and problem-solving ability and be a skilled communicator across teams.
