Quality - the bike is cheap and it shows. Plastics creak, ive had condensation in the instrument panel (will be checked) and rust has already taken hold in places on the exhaust. Compare this to my 2011 WR125X which is still in good condition - I don't have faith the MT would age anywhere near as well.

The Softail family grows a little bigger and a little badder with the introduction of the new 2011 Blackline, the latest addition to the Motor Company's successful Dark Custom line. "Lean as wire, hard as iron, and dark as a tar road at midnight," is how H-D describes what is essentially just a variation of the high-end Softail series, but the Blackline has several notable features that ...
