Authenticating Documents in Civil Lawsuits. By David Goguen, J.D., University of San Francisco School of Law. Updated: Apr 9th, 2015. Before a document, diagram, or other exhibit can be admitted into evidence in court, the parties need to jump through a few procedural hoops. In a civil lawsuit, documentary evidence such as photographs, letters, bills, contracts, and similar records usually have to be disclosed to the other side (typically as part of the discovery process), then properly ...
