A History of Warfare is a book by military historian John Keegan, which was published in 1993 by Random House

A History of Warfare - Wikipedia

In this major and wholly original contribution to military history, John Keegan reverses the usual convention of writing about war in terms of generals and nations in conflict, which tends to leave the common soldier as cipher. Instead, he focuses on what a set battle is like for the man in the thick of it.

A History of Warfare - John Keegan - Google Books

John Keegan was for many years senior lecturer in military history at the Royal Military Academy, Sandhurst, and has been a fellow at Princeton University and a professor of history at Vassar College. He is the author of thirteen previous books, including the acclaimed *The Face of Battle* and *The Second World War*. He lives in Wiltshire, England.

A History of Warfare - free PDF, EPUB, MOBI

John Keegan believes that the history of warfare has for too long been written either as specialist study of 'war as the continuation of politics' or as a horror story. Its place at the heart of human cultures and the enormous variety of forms it takes in different societies has too often been ignored.
