### A Theory Of Love

In A Theory of Love, Helen, a British journalist, meets lawyer turned financier Christopher while she's on assignment in Bermeja. He's there for a bit of relaxation on his surfboard. Author Margaret Br Although the couple in this novel hasn't fabricated a relationship, A Theory of Love reminded me of Glimpses of a Moon, one of my favorite novels by Edith Wharton.

### A Theory of Love by Margaret Bradham Thornton

A Theory of Love is at heart a meditation on modern relationships and how near impossible they've become in an era of competing careers and ever-decaying ethics. Those who thrilled to Thornton's descriptions of the dawn boat ride through pitch-black cypress swamps in Charleston, will love Theory's soaring prose descriptions of the metamorphic skies, waves and sea bird choreography in Bermeja.

### A Theory of Love: A Novel: Thornton, Margaret Bradham ...

A Theory of Love captures the ambivalence at the center of human experience: does one reside in the familiar comforts of solitude or dare to open one's heart and risk having it broken? Set in some of the most picturesque places in the world, this novel questions what it means to love someone and leaves us wondering—can nothing save us but a fall?

### A General Theory Of Love Summary - Four Minute Books

In Dr. Sternberg's theory, the concept of love is a triangle that is made up of three components: Intimacy, which involves feelings of closeness, connectedness, and bondedness Passion, which involves feelings and desires that lead to physical attraction, romance, and sexual consummation ...

### Sternberg's Triangular Theory and the 7 Types of Love

Passionate love is characterized by intense emotions, sexual attraction, anxiety, and affection. When these intense emotions are reciprocated, people feel elated and fulfilled. Unreciprocated love leads to feelings of despondency and despair. Hatfield suggests that passionate love is transitory, usually lasting between 6 and 30 months.

Commitment is Sternberg's third component of his triarchic theory of love. When we consider commitment in the absence of the other two qualities we, alas, describe many marriages. The marriage begins with the rosy glow of romance-she was beautiful and sexy, he was handsome and brave, and, in marriage they understand the importance of commitment.
