The title "Across the Barricades" can be interpreted on several ways. We are told about the barricades on the roads in Belfast, and Kevin and Sadie walks through one of them. This is maybe the easiest way to understand the title. Another way, is the barricades between Catholics and Protestants in peoples minds.

Portable crowd control barricades are panels and railings that direct the flow of pedestrian traffic or block access to hazards and private areas. They can be set up individually or in long lengths at large events to guide pedestrians toward appropriate entrances and exits or to configure areas for spectators at concerts or sporting events.
