Aging and Independence Services

William Mann's Smart Technology for Aging, Disability, and Independence: The State of the Science is a timely and informative book for researchers, clinicians, and students in rehabilitation, medicine, or engineering, as well as for people who have elderly family members and friends.

Smart Technology for Aging, Disability, and Independence ...

Difficulties with mobility, behavioral health conditions such as isolation and loneliness, and financial strains are just some of the contributors to a loss of independence in aging adults. While we cannot avoid some barriers to independence, we can take the time to understand the importance of independence in seniors and look for ways to increase opportunities for independent living.

4 Reasons Independence Is Important for ... - VANTAGE Aging

Aging and Disability Resource Centers (ADRCs) across the country seek to address the frustrations many older adults, people with disabilities, and family members experience when trying to learn about and access long-term services and supports.
