Be sure to check out STEM-Inventions.com, ... We have a foot powered pump and when we press the button, with the pump attached, the air comes out very slowly, like a gasp. When we ...

100-Yard Paper Rocket Launcher : 5 Steps (with Pictures ...

Using air pressure, large paper rockets can be launched to altitudes of between 50 and 100 meters. The launcher is a chamber in which air is pressurized with a bicycle pump or small electric compressor. Paper rockets are slipped over a launch rod tube. A lever-valve releases the air that propels the rocket.

Rocket Activity High-Power Paper Rocket Launcher

Pinch one of the ends of your paper tube closed and then wrap it with more tape. Twist the end of the tape to make a pointy nose cone. Now you can place your rocket onto the launcher and stomp on the bottle to send it soaring into the sky!

Stomp Rockets - Maker Camp

Paper, tape, compressed air ... lift-off! Blow your friends away as you send this 25-cent rocket hundreds of feet in the air. You can build this easy launcher and rocket with common hardware store items in an afternoon. All the parts for this simple but impressive air rocket and launcher are cheap and easy to find.

Compressed Air Rocket | Make:

Paper Rockets A simple rocket powered by pneumatic or air pressure may be used to demonstrate thrust and Newton's Laws. The rocket launcher presented in this section is a derivative of one used by staff members of the Waco Museum in Troy, Ohio.

Air-Powered Rockets

Original Paper and Tape Rocket Template and Building Instructions. This is the rocket we've launched at Maker Faire for years. It's fantastic because of it's great performance and low cost. ... For now, you can find rocket building directions on the website with our original Air Rocket Launcher v1.0 designed for MAKE Magazine in 2008.

Original Paper and Tape Rocket Instructions - Air Rocket Works

Rocket Specifications Using just a simple standard pump, launch all kinds of rockets and gliders from our Compressed Air Rocket Launcher v2.2. Launch Paper and tape rockets, NASA rockets, foam nose plastic rockets, all foam rockets, gliders, our exclusive air rocket glider, and any other rocket creations you can think of!

Air Rocket Works - Used by NASA, Universities, STEM ...

Students, working individually or in small teams, select a flight mission (what they want their rocket to do) and design and construct a high-power paper rocket that will achieve the mission. They construct their rocket, predict its performance and the chance of mission success, fly the rocket, and file a post-flight mission report.

Rocket Activity Advanced High- Power Paper Rockets

Launching your rocket: Use the same plastic pipe to make the launcher and for rolling the rocket shape so that you have a good fit. Try to make everything airtight so that you get the maximum power from your rocket. Once you have slid the rocket over the pipe, place the launcher on the ground and point the rocket in the air or at a target.

How to make an Air powered paper rocket & bottle launcher

Rocket Launcher, although fun for all students, is an ideal launcher for younger students because they love to stomp on the bottle to launch the rocket. The launcher can be used for any kind of large paper rocket, including the high-power paper rockets described on page 91.

Rocket Activity Pop! Rocket Launcher - NASA

Your little one will have a fun time playing with this cool air power rocket. Suitable for ages: 3+ years; Air power rocket; Screaming whistle action; Stomp to launch chute pops; Open super flight time; Roto fins; Dimensions/Size: 20.5cm (L) x 26cm (H) x 7.5cm (W) Adult assembly and supervision required; Warning: Choking Hazard. Contains small ...

Air Power Rocket | Kmart

5 to 10s (616) Under 5s (593) Paper craft (53) Space (36) Toys (31) Games (25) Rocket (9) Straw (8) This easy to make rocket launcher will give kids hours of fun as they blow through the straw to launch their rockets.

Air Powered Rocket Launcher - My Kid Craft

Due to custom pneumatics, allow 3-weeks for delivery. A portable Air compressor is required.(#13800) Package includes: Air Powered Launcher. Paper Rocket 50-Bulk Pack Kit
