Akroasis The Theory Of World

So wrote Hans Kayser, giving the kernel of his theory of world harmonics. He re-discovered the theory in the philosophy of Pythagoras, becoming convinced that the balance of Western thought was destroyed when "touch" and "sight" were stressed to the detriment of "hearing." Although harmonics uses musical references, especially to the monochord ...

philosophical presentation of Kayser's theories of harmonics, but almost no one has seen the 630 page technical presentation, which includes 500 of the most amazing harmonic, geometric and mathematical diagrams ever.

Hans Kayser Translation Project - Textbook of Harmonics

World-systems theory (also known as world-systems analysis or the world-systems perspective) is a multidisciplinary, macro-scale approach to world history and social change which emphasizes the world-system (and not nation states) as the primary (but not exclusive) unit of social analysis. "World-system" refers to the inter-regional and transnational division of labor, which divides the world ...
