The D10 was a two-wheel drive tractor with a four-speed sliding gear transmission. At the D10's start, it produced about 24HP. After three series updates, however, the horsepower had been increased to 31HP. Allis Chalmers' D10 had a wheelbase of 78.75 inches, and a weight of 2900lbs. The engine was an Allis original, and was run on gasoline.
