American Democracy In Peril By

In this Eighth Edition of American Democracy in Peril, author William E. Hudson provides a perceptive analysis of the challenges our democracy faces in the current era: economic crisis, partisan gridlock, rising economic inequality, and continued military conflict in the Middle East and elsewhere. By introducing the history of democratic theory in terms of four "models" of democracy, he provides readers with a set of criteria against which to evaluate the challenges discussed later.

American Democracy in Peril: Eight Challenges to America's ...

I use American Democracy in Peril as a supplement in my American politics graduate seminar. Individual chapters are gems and complement the standard set of topics contained in an introductory American politics course. The book is a rich compilation of political theory and political science research that students should know, and a well-crafted examination of specific threats to

Democracy in Peril? - American Purpose

'America in Peril' puts together a pervasive pattern of intrigue and deception. Starting with the characters that wiggled their way into the White House and conjured up a crisis to rally the country behind a wartime president, Aldridge paints a disturbing picture, delving into the decay of civil rights and showing how the government is not only ...
