An Elephant Is On My
"I felt an elephant sitting on my chest," she said. After the rest and quarantine, she finally began to improve. However for Morino, the isolation began sinking in. "There's a real deep loneliness now for me coming from the fact that I can't go to my friends houses and have a cup of tea with them," Morino said.

There is a Bird on Your Head by Mo Willems | Elephant ...
My elephant is missing and I'm not sure who to call. I'll need to get a bloodhound who can track him by his scent, or hire a house detective to discover where he went. He isn't in the basement or the attic or the yard. You'd think, to find an elephant would not be quite so hard. Perhaps I'll make some posters, and I'll offer a reward.

My Elephant Is Missing - Kenn Nesbitt's Poetry4kids.com
His book Travels on My Elephant became a bestseller and won the Travel Writer of the Year Award at the British Book Awards in 1992. Let me tell you about my sweet girl. Sometimes, she'll jump into bed before I'm ready to hit the hay myself and give me a look that says, okay, mom, hurry up, lady! She loves to cuddle and maintain constant contact with my body. Her favorite thing is laying up against my back like we're in a reverse spoon.

My Dog Is "The One." | elephant Journal
Elephant ear plants (Colocasia spp) are so named for the shape of their leaves. Some varieties not only mimic the shape but also the size of an elephant's ear. Colocasia esculenta var. antiquorum, for example, has leaves that can be a foot wide and up to 20 inches long, according to the Clemson University Cooperative Extension.

My sobriety was my ticket to healing. My sobriety was my way home. My sobriety is Mine. It might be the first thing that has ever been mine. My drinking started out as mine, but it quickly made its way to other people. The ones who saw me wasted and incoherent and the ones who got me home when I could. not get me home. My sobriety is mine.

My Sobriety Is Mine. (Poem) | elephant Journal

Where is the Elephant? - Newgrounds.com
Etymology. The word "elephant" is based on the Latin elephas (genitive elephantis) ("elephant"), which is the Latinised form of the Greek ἔλεφος (elephas) (genitive ἑλεφαντος (elephantos), probably from a non-Indo-European language, likely Phoenician. It is attested in Mycenaean Greek as e-re-pa (genitive e-re-pa-to) in Linear B syllabic script.
