Where To Download An Introduction To Applying Social Work Theories And Methods

An Introduction to Applying Social Work Theories and ...

This bestselling book is the leading introduction to the most commonly used theories and methods in social work practice. Now in its second edition, the book explores the concepts of a 'theory' and a 'method', the difference between the two and the ways in which they are connected. Assuming little to no prior knowledge, each chapter explores a single theory or method in depth and uses a variety of interactive tools to encourage the reader to explore their own theories and beliefs.
