ENG 101: an Introduction to Composition and Research (Fall 20) Leave a reply. Damon Krukowski argues in the "Love" episode of Ways of Seeing that digital sound impedes our perception of those sonic qualities that help us experience intimacy. A primary example he gives is the way analog microphones provide a rich, full presentation of the human voice; whereas digital microphones—such as can be found in cellphones—take the character out of the voice in order to create a smaller data ...
