This setup is the basis for the countless other tasks that can be performed with it. The use of staking tools is covered in most texts. Archie Perkins covers the subject very thoroughly in volume 1 of Antique Watch Restoration. Another closely related tool is the jewellery set, generally it operates on the same principal, but on a smaller scale.

Watchmaker's Tools - Adventures in Watchmaking

Having found a groove up forward in 2019, Perkins will be using those explosive traits through the engine room this year as he pushes to become one of Vic Metro's prime movers. Of course, that is if competition resumes. — PLAYER PAGE: Archie Perkins. Height: 186.3cm Weight: 77.2kg Position: Midfielder/forward
