Use tempera or poster paint to paint the inside of your box. Paint the walls light blue to make your diorama's background. You can paint details like clouds or falling snow. Paint the ground white for a snowy landscape. You can include a body of water to show how integral the sea is to polar life. You can also paint the outside of the box, if you like.

Arctic is located at the northernmost part of our planet. Scientists usually define the Arctic as the area above the 'Arctic Circle' — an imaginary line that circles around the top of the globe. 2. The Arctic consists of the Arctic Ocean and parts of Canada, Russia, the USA, Greenland, Norway, Finland, Sweden and Iceland.
