Overview. In Art on My Mind, bell hooks, a leading cultural critic, responds to the ongoing dialogues about producing, exhibiting, and criticizing art and aesthetics in an art world increasingly concerned with identity politics. Always concerned with the liberatory black struggle, hooks positions her writings on visual politics within the ever-present question of how art can be an empowering and revolutionary force within the black community.

### Art on My Mind: Visual Politics by bell hooks ...

Description In her book 'Art On My Mind: Visual Politics,' hook talks about the relationship between the dominant white male and art by African Americans, especially women. She talks about biases, practices and why the relationship is not as it should be. African American artists, especially female ones, have more struggles than white males.

**Art on my mind : visual politics (Book, 1998) [WorldCat.org]**

Art and Mind Essay. 1019 Words5 Pages. The human mind is a very powerful tool and organ. There are however imperfections in the way it processes things. Illusions for example, are visual stimuli that trick the brain because the brain cannot process all visual images correctly. Why do we see puddles forming up the road while we are driving in our cars on a hot summer day?

**Art and Mind Essay - 1019 Words | Bartleby**

It is a critique of art and visual politics which addresses the question of how art can be an empowering and revolutionary force within the black community. The book's 13 pieces include essays on photography and the representation of black male bodies. The author's other books include "Talking Back: Thinking Feminist, Thinking Black".
