And Italian American Studies

The untimely death of a political figure has the potential to reverberate around the world. The assassinations of the Kennedy brothers, Benazir Bhutto, and Martin Luther King, Jr. are common knowledge, but not every political killing is so well-remembered. The murders on this list—while well-known in their own countries—have largely fallen out of

Assassination is the act of deliberately killing a prominent person, such as a head of state or head of government. An assassination may be prompted by political and military motives. It is an act that may be done for financial gain, to avenge a grievance, from a desire to acquire fame or notoriety, or because of a military, security, insurgent or secret
