cookbooks

Before Cool Beans, my cookbook devoted to them, was published in February, the moment seemed to take shape: In December, an Eater headline read, "Everyone who loves to cook was making beans this year." For once, my timing seemed spot-on. And then the pandemic locked many of us in our homes, forced us to make much fewer frequent visits to the supermarket, and had a new wave of people ...

10 Things I Learned from Writing a Whole Book About Beans

At the request of her clients and in light of the need for a cookbook that gave innovative recipes that were unquestionably healthy, she began the process of creating a cookbook. Over 300 recipes have been created to bring you and your family great health by the eating of beans, one of our richest sources of soluble fiber.
