But what's perhaps most interesting about 'Born to Kill' is its examination of a twisted vision of the American dream from the eyes of these hardened and toughened Vietnamese-American gangsters. While the entire book is pretty much an adrenaline pumping real-life New York City ethnic crime drama, the fact the the members of these gangs were the results and children of the Vietnam conflict seems very despairing.

Born to Kill, also known as BTK or Canal Boys, is the name of a New York City-based street gang composed of first-generation Vietnamese immigrants. They were active in the 1980s in New York City's Chinatown. The early 1990s proved to be detrimental to the Vietnamese collective following the arrest and prosecution of most of their New York-based operatives by the fall of 1992. BTK is said to have formed into Mafia organized crime in the year 2020, spanning from the Tri-State area to Australia.

In 1989, at 17, he joined Born to Kill (BTK), a dedicated group of street toughs and petty criminals presided over by 34-year-old David Thai. BTK quickly became known and feared in Chinatown for its daring and violence, if not for the competence of its individual members (in one robbery, a BTK accidentally shot and killed another member).
