Regardless of whether you have a ten-step skin regimen or if your idea of a routine is just washing your face, there's one product that makes a noticeable difference in the quality and appearance of your tone, and that's a great brightening serum. Packed with vitamin C, antioxidants and, often, retinol, these quality serums might be on the pricey side.

14 Best Face Brightening Serums 2020 - Oprah Magazine

The Fiberstar system is an interesting design: An extremely bright metal halide lamp is housed within a black box near the pool. The intense light literally shines into the ends of fiber-optic cables, is transmitted down the length of the cable, and comes out the other end into the pool.
