perfect this LUV diesel truck looks! There are 158,986 miles on this thing and it looks like it has 100,000 less than that to me. I see no rust at all on this tough little rig. This is the last year that GM stopped selling the second-generation LUV, they were only available here for 1981 and 1982 and then the Chevy S-10 was introduced.
