Salahuddin of Selangor - Wikipedia

Civil-military relations in Southeast Asia vary from nation to nation, but possess consistent themes in military dominance and control in several sectors of every country's secular operations. In several Southeast Asian countries, such as Indonesia and Thailand, the military exerts its influence in economic affairs as well, with former military officials running many vital corporations and ...

“Without the condition of the caliphate being realized,” ISIS clarified in its official public declaration of the caliphate, “all power is simply worldly kingship, domination and governance, accompanied by destruction, corruption, injustice, coercion and fear, and the degradation and decline of humans to the level of animals. This is the ...

Caliphate of Law | Foreign Affairs

The essays in this volume examine institutional coercion with the aim of trying to understand its nature, justification and limits. Included are essays that take a fresh look at perennial questions. Leading scholars from philosophy, political science and law examine these and related questions shedding new light on an apparently inescapable ...
