Cultivating the human faculties : James Barry (1741-1806 ...

“ One of the strengths of Cultivating Humanity is that it explores the conflict between authority and reason explicitly—even if it doesn’t entirely resolve it. Nussbaum’s untrammled confidence in both the universality of reason and the diversity of human life makes hers a challenging and novel book, one that strongly endorses multicultural study while distancing itself from nearly everything typically associated with it, including postmodernism, identity politics, and the critique ...
