DGT5010-WK-1 GEN 5000W 10HP TEC

The spark plug in my generator is an F7TC . Not E6TC as stated in the manual. I contacted customer service about this and asked them to send me out the correct spark plug for my troubles. After 2 weeks I received 2 more incorrect spark plugs. I have only run the generator for about 20 hours so I don't know how long it will last in the long run.

Having said that you can still find the middle of the road. My portable is a DAPC (Devilbis Air Products Company-known to painters) 120 volt 3000 watt OHV engined manual start. I bought it at HD (prior to the whole Y2K scare) for like \$350 bucks. At the time it was the best suited for what I wanted/needed.
