Defense and Protection against the Dark Arts. Defense and protection against envy, evil eye, works of dark magic or more simply against the bad vibes and negative thoughts of other people, have a simple and effective remedy: a humble mirror. In this case, we are talking about a charged magical mirror that triples the protection against bad incoming magic, known as Hexenspiegel, which in English means 'mirror of the witch'.

Defense against the Black Arts is written for the reader with a good technical background who is looking for a nuts and bolts approach to ethical hacking. Its 14 chapters provide a comprehensive overview of the topic, with an emphasis on Windows. But for those looking for an introductory text, this is not the best choice out there.

## **Book Review : Defense against the Black Arts**

Defense Against The Dark Arts: Hexenspiegel. Hexenspiegel have been used as a major defence against the dark arts for as long as people have been around. There is something about the flowing, reflective, smooth properties of metal that makes for a natural defence against incoming bad energy, which is by nature, disturbed, impure and chaotic.
