About Economics: The User's Guide. From the internationally bestselling author and prizewinning economist--a highly original guide to the global economy. In his bestselling 23 Things They Don't Tell You About Capitalism, Cambridge economist Ha-joon Chang brilliantly debunked many of the predominant myths of neoclassical economics. Now, in an entertaining and accessible primer, he explains how the global economy actually works-in real-world terms.

Economics: The User's Guide: Ha-joon Chang: Bloomsbury Press

Ha-joon Chang's "Economics: The User's Guide" is the first title in the newly resurrected Pelican imprint. Chang himself is best described as a heterodox economist, firmly outside the mainstream where neoclassical economics (not to mention neoliberalism) is the reigning creed.
