It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Elon Musk By Ashlee Vance

Vance opens the book at an interview with Elon Musk himself. The first line, a quote from Musk, "Do you think I'm insane?", perfectly captures the whole context of the biography. Because as you experience the story, as you see the challenges Musk went through to reach the pinnacle he's at today, the question nags at you.
