Endangered Pleasures Defense Naps Bacon

ENDANGERED PLEASURES is perhaps mistitled as it's not credible to think any of the 67 things and activities listed, from the morning paper to cigarettes to bare feet to weekends to gambling to winter to babies, are actually in peril of extinction. "Unappreciated" might be more a apropos term instead of "endangered".

Don't just stop and smell the flowers--call in sick and lie among them, preferably with a good friend, a bottle of wine, and a handful of chocolates. Endangered Pleasures is a delightful reminder that rest and relaxation are more rewarding than a job performance review. After all, life's too short.

The minute the alarm clock punctures our dreams, we go to work. We have convinced ourselves that productivity is the name of the game and that leisure is a notorious sign of laziness. In Endangered Pleasures, Barbara Holland insists that enough is enough. It's time to kick back, relax, and relish the truly good things in life. "Delightfully quirky".--The Boston Globe.
