### EU Security and Justice Law: After Lisbon and Stockholm ...

The area of freedom, security and justice is a collection of home affairs and justice policies designed to ensure security, rights and free movement within the European Union. Areas covered include the harmonisation of private international law, extradition arrangements between member states, policies on internal and external border controls, common travel visa, immigration and asylum policies and police and judicial cooperation. As internal borders have been removed within the EU, cross-border

### Area of freedom, security and justice - Wikipedia

In general, the law of the European Union is valid in all of the twenty-seven European Union member states. However, occasionally member states negotiate certain opt-outs from legislation or treaties of the European Union, meaning they do not have to participate in certain policy areas. Currently, three states have such opt-outs: Denmark (four opt-outs), Republic of Ireland (two opt-outs) and ...
