Failing Grade Oregons Higher Education

Failing Grade: Oregon's Higher Education System Goes Begging is a collection of two decades of witty but hard-hitting articles by the Oregonian's chief political columnist, David Sarasohn. The columns track 20 years of cuts in funding by the Oregon legislature for Oregon's higher educational institutions, and the concomitant dramatic decline in their quality.

The State of Oregon's Higher Education Coordinating Commission (HECC) envisions a future in which all Oregonians—and especially those whom our systems have underserved and marginalized—benefit from the transformational power of high-quality postsecondary education and training. Learn more about our vision here .

State of Oregon: Higher Education Coordinating Commission ...

In 2018, Oregon's public education system was ranked 8th worst in the United States. This horrific fact serves as a call to action for us to improve Oregon's largely defective public school system that, with its poor quality, is doing a disservice to students and in turn, failing its youth.

Oregon's Education System Is Failing Its Youth and Its ...

Graduation rates are a symptom of deeply flawed education policy and it is a form of institutionalized oppression. Oregon is one of few states where the student achievement gap is not contracting.

Oregon's broken education system shackles our students ...

However, Oregon State University or the Oregon State Board of Higher Education may find it necessary from time to time to make changes in courses, curricula, or degree requirements. Students already admitted to a program in which such changes have been made will be reasonably accommodated, if possible, to ensure their normal progress toward a ...
