Family Linen Lee Smith

Like all of Lee Smith's books, I loved this one, too. I have just read two of her books back to back, and will now take a break. "Family Linen" is exactly what you think it is, the airing of the family laundry. It's great, in a meaningful & loving way.

Family Linen by Lee Smith - Goodreads

Family Linen is one of Lee Smith' finest. Her motivation for the book came from a Greensboro, N. C., newspaper article about the 35-year-old hacked-up remains of a man, which were found at the bottom of a long unused privy. Smith took the idea behind this tragedy and gave the characters life.

Family Linen (1985), another multi-generational mystery, continues and expands upon some of the themes and techniques Smith began working with in Oral History. This time around, though, the mystery is a more conventional one, at least on its surface: Did Sybill Hess long ago witness the murder of her father, or is it a trick of the memory?

Family Linen - Lee Smith

Lee Smith: Family Linen started with a news story in the Raleigh newspaper. Under hypnosis, a schoolteacher had recounted a terrifying childhood experience: years before, she'd witnessed her mother kill her father, then chop him up and stuff him down an outhouse.
