## Online Library First Phonetic Reader For Tiny Tots

A phonics reader starts by using only short, CVC (consonant, vowel, consonant) words, usually short /a/ words such as: cat, bat, had, and gradually adds the other vowels. The child is encouraged to sound out these words after having been taught letter sounds and especially the short sounds of the vowels.

Why a Structured Phonics Program is Effective David Liben ... This is an example of a very early first grader reader (also known as a leveled or “predictable” text). Students generally first read this text with the teacher. Then, they reread independently or in pairs. Yet unlike with a text that is controlled for spelling/sound patterns ...
