Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Focus On Health 11th Edition

Focus on Health offers an exciting and practical approach to the teaching of the traditional content areas of personal health. Its two key themes - the six dimensions of health and the five developmental tasks - help students apply the text's content to their own lives, by improving their decision-making skills.
