Campfire Graphic Novels' Mary Shelley's Frankenstein is a part of their Classic Tales series which aims to "adapt timeless literature from some of the greatest writers" to implement at least one part of their declared mission "to entertain and educate young minds by creating unique illustrated books to recount stories of human values." While some may argue that Mary Shelley may not qualify as one of the world's greatest writers, there can be little disagreement about the ...

The unforeseen consequences of pride and progress come clear in this brooding graphic-novel adaptation of Shelley's much read and debated classic, the first in a new curriculum-connected series, Puffin Graphics. Reed concentrates on the emotional anguish of the story, ably capturing the rage, the hurt, and the guilt of both monster and creator.
