Free Clinics for the Uninsured. The Institute for Family Health receives generous support from Robin Hood to operate two free clinics, one in the Bronx and one in Manhattan. The clinics provide comprehensive, high-quality health care to people who are uninsured. All services are free and confidential.

### **Free Clinics for the Uninsured | The Institute**

A free clinic or walk in clinic is a health care facility in the United States offering services to economically disadvantaged individuals for free or at a nominal cost. The need for such a clinic arises in societies where there is no universal healthcare, and therefore a social safety net has arisen in its place. Core staff members may hold full-time paid positions, however, most of the staff ...
