From Poor Law to Welfare State, 6th Edition

⇒Welfare's Forgotten Past Book Summary : That 'poor law was law' is a fact that has slipped from the consciousness of historians of welfare in England and Wales, and in North America. Welfare's Forgotten Past remedies this situation by tracing the history of the legal right of the settled poor to relief when destitute.

Welfare policies help those in economic need. These programs are also known as public assistance. The basic method of distributing public assistance funds is via income transfer: The government takes money from wealthier citizens through taxes, then gives some of that money to citizens with low or no income.
