The Fullmetal Alchemist novels are a fun sideline to the manga and anime. The Land of Sand is funny and interesting as Ed and Alphonse square off against two characters who have stolen their names! The warehouse 13 story references and expands on earlier material - it's a bit throwaway to be truthful.

This is one of the best mangas you will ever read. It has been my favorite show for over 14 years now starting with the original Full metal Alchemist anime and ending with Full Metal Alchemist Brotherhood. These books do the story justice in terms of feel, glossy paper, and illustrations. I plan to collect the whole set once the last one comes out.
