### **Fundamentals of Corporate Finance 3rd edition | Rent ...**

Fundamentals of Corporate Finance presents finance as one unified whole based on two simple, powerful ideas: (1) valuation drives decision making—the firm should take projects for which the value of the benefits exceeds the value of the costs—and (2) in a competitive market, market prices (rather than individual preferences) determine values. The authors combine these two ideas with what they call the Valuation Principle, and from it establish all the key ideas in corporate finance.
