## **Genius Why Everything Been Told**

In *The Genius in All of Us*, author David Shenk attempts to show the reader why genius is not all about the genes we were born with. Shenk explains why intelligence is more of a combination of genes and the environment we were raised in, along with outside stimuli, that determines our potential for greatness.

*The Genius in All of Us: Why Everything You've Been Told About Genetics, Talent, and IQ Is Wrong*, is a new book by David Shenk, who takes the position that "Talents are not innate gifts but the result of a slow, invisible accretion of skills developed over time." Few are genetically handed greatness, fully formed, and 100% gift wrapped.
