### Green Books Libs At Palmer

The Green Books, created by D.D. Palmer in 1906, were the first chiropractic textbooks. The Green Books continued with B.J. Palmer and his faculty until 1963. However, it is important to note that D.D. Palmer's The Science of Chiropractic (1906) was not the first ever chiropractic textbook. He was beaten to it by one of his students, a 1901 Palmer School of Chiropractic graduate by the name of Solon Langworthy.
