Defining Cross-Cultural Working Scenarios When discussing cross-cultural differences in a work context, it is usual to talk about culture in terms of issues such as a group's belief systems, their everyday behavior, and their values---in other words, the issues that have impact on their working style and working relationships.

Cross-Cultural Communication's Twelve Guidelines

Cross-cultural studies is an adaptation of the term cross-cultural to describe a branch of literary and cultural studies dealing with works or writers associated with more than one culture. Practitioners of cross-cultural studies often use the term cross-culturalism to describe discourses involving cultural interactivity, or to promote (or disparage) various forms of cultural interactivity.
