Performing regular maintenance according to the factory-recommended Maintenance Schedule is the best way to keep your Honda running in optimal condition. Each vehicle has its own maintenance needs, so Honda develops specific maintenance schedules based on model equipment, such as transmission choice or the addition of a towing package.

### **Maintenance Minder | Maintenance Schedule | Honda Owners Site**

The A1 service involves changing your oil and rotating tires. Honda doesn't even recommend changing your oil filter until the B1 code pops. That said, dealerships will still include a filter in your service. The code is generated based on your driving habits so there isn't a set schedule. Each car will vary slightly due to this.
