You can only do this by not relying alone on the creation of your own content. This also means you are able to tweet more. You gain more impressions and responses and you don't have to do very much. If you are currently tweeting five times a day, then double it by using third party material and see if you receive more interaction. Sourcing content

How To Gain 100,000 Twitter Followers: Twitter Secrets ...

I have just finished the book How to Gain 100,000 Twitter Followers by M. Lemont. It's a very interesting read and I highly recommend the book if you are interested in how Twitter works. If you ignore the catchy title (which no doubt will cause all kinds of debates about how likely anyone will be able to replicate the author's success in getting that number of followers), what this book is ...

Book Review: How to Gain 100,000 Twitter Followers

To set up a Twitter account and reach 10,000 followers. It had to be a completely new account, starting from zero. It was unaffiliated to any existing site, and I didn't use my existing network. Just a pure experiment from scratch. I called the Twitter account 'Impossible'.

Between 1k and 5k followers, you (ideally) want to start posting at least a photo per day. If you have enough good content, post twice per day. Make sure you post consistently: on the same days and at the same time per day. Start to take notes on what types of photos your followers interact with the most, and adjust your style accordingly.
