**Imperialism and Expansionism in American History: A Social ...**  
The American imperialism of the late 1800s and early 1900s showcased the same social and cultural advocacy of the past expansionism. The original doctrine of Manifest Destiny was created in the 1840s to escort westward expansion and upheld a belief that America was predetermined by God to expand across the country to spread favors of freedom. As Senator Albert J. Beveridge explains in his 1900 discourse to 56th Congress, this conviction was just as influential to the later colonial America.

**American Imperialism And Expansionism - 777 Words | Bartleby**  
Imperialism and expansionism may slightly differ in conceptualization, but both the policies have a common goal—that of acquiring new territories to rule. Expansionism, as a concept, connotes an underlying, inevitable business, something that 19 th-century thinkers and politicians ascribed to a divine mission or 'Manifest Destiny'. Imperialism, however, connotes subjugation and domination, irrespective of the motive.

**A Brief Comparison of Expansionism and Imperialism ...**  
Expansion and Power "American imperialism" is a term that refers to the economic, military, and cultural influence of the United States on other countries. First popularized during the presidency of James K. Polk, the concept of an "American Empire" was made a reality throughout the latter half of the 1800s.

**Unit 5 Class Notes- Imperialism and WWI American Expansionism**  
For quite some time, American Imperialism ruled everything, and continues to exist to this day. There is some debate as to when American Imperialism started, but its height was likely from the late 1800s through approximately the 1950s. One of the things that motivated American Imperialism is economic.

**11 Main Pros and Cons of American Imperialism - ConnectUS**  
Alternatively, imperialism could have been a continuation of "Manifest Destiny", the ideology that fueled westward expansion. With the West mostly won, people now looked elsewhere to expand. The "Foreign Policy Elite" also may have justified imperial expansion using the theory of Social Darwinism, which suggested that only the strongest nations would survive, and that fierce competition was natural and necessary.

**The Spanish American War (1898-1901): American Imperialism ...**  
American imperialism consists of policies aimed at extending the political, economic, and cultural influence of the United States over areas beyond its boundaries. Depending on the commentator, it may include military conquest, gunboat diplomacy, unequal treaties, subsidization of preferred factions, economic penetration through private companies followed by intervention when those interests ...
