In The High Yemen

Today Aden and Yemen are (uneasily) united, the population is quadruple what it was, the country is awash in weapons, and a water crisis looms while various factions jockey for power. IN THE HIGH YEMEN provides a look at another time, a time when Yemen's contacts with the outer world were still sporadic.

Yemen - Wikipedia

Yemen is the largest humanitarian crisis in the world, with more than 24 million people - some 80 per cent of the population - in need of humanitarian assistance, including more than 12 million children. Since the conflict escalated in March 2015, the country has become a living hell for the country's children.
