population of India in Chapter 2, we turn now to the study of social institutions. A population is not just a collection of separate, unrelated individuals, it is a society made up of distinct but interlinked classes and communities of various kinds.

03: Social institutions: continuity and change / Indian ...

The economic relationship is predominantly a stabilizing factor in the continuity of traditional institutions in India, which, according to Desai, would undergo changes as these relationships change. This is especially true about caste which will eventually disintegrate with the creation of new social material conditions, such as industries, economic freedom, education, etc.

Social Change in Indian Society - Your Article Library

The Indian rural society has undergone considerable change in the recent past, particularly since the Independence as a result of a series of the land reform legislations that have accelerated the pace of this change. India has a rich cultural heritage and is a land of diversities. The diversity

INDIAN SOCIETY AND SOCIAL CHANGE

Indian society in the form of the institutions of caste, tribe and family. As a unique feature of the Indian subcontinent, caste has always attracted a lot of scholarly attention. How has this institution been changing over the centuries, and what does caste really mean today? What is the context in which the concept of 'tribe' was

CONTENTS

We will discuss this as a mix of tradition and modernity in Indian society. Concept of Social Change: Broadly speaking, there are two types of processes: (1) which sustain the social system; and (2) which bring about change in the system and change o/the system.
